ABOUT SHORE

In 1946, Shore Distributors, Inc. opened its doors in Salisbury, Maryland with the singular goal to serve the Eastern Shore with the finest HVAC and plumbing products. For nearly eight decades, our dedicated team has worked hard to continually earn the trust of our valued customers and vendors, and to build strong and enduring relationships.

Although much has changed over the past 76 years, what has not changed is our commitment to be our region's preferred supplier. From humble beginnings to becoming a world-class distribution and service organization; our story is one of resourcefulness, hard work, sacrifice, and vision. Family owned and managed by our 3rd generation, we are proud to have grown to 11 locations, serving HVAC/R and plumbing pros all across the Delmarva peninsula.

OUR CORE VALUES

- PEOPLE** – Shore's success depends on our ability to motivate and engage our people. We grow our company by growing our people.
- INTEGRITY** – To always be honest and have strong moral principles.
- COMMITMENT** – Dedicated to the success of our company, customers, and vendor partners.
- ACCOUNTABILITY** – We take ownership of our work, do what is asked and promptly correct mistakes to the greatest extent possible. Honor commitments to management, customers, and each other.
- TEAMWORK** – Teamwork empowers our individual strengths. Our success is only to be had through the effort of talented individuals who work together towards a common purpose.
