# SPRING TRAINING SCHEDULE 2022

*Founded in 1997, North American Technician Excellence (NATE) is the nation's largest non-profit certification organization for heating, ventilation, air conditioning and refrigeration technicians. Headquartered in Arlington, VA, NATE is the certification organization that was developed by, and has been supported by the entire HVACR industry for nearly 25 years. NATE certification tests represent real world working knowledge of HVACR systems. Developed by a committee of industry experts nationwide, our NATE exams represent HVACR topics pertinent to contractors, educators, manufacturers and utilities alike. All of the NATE tests are rigorous, multiple-choice, knowledge-based tests and validate a technician's knowledge. NATE candidates may earn Installation and/or Service certification in one or more Specialty areas to become NATE certified.*

*The HVAC industry is a rapidly changing field, and today's heating and cooling systems are far more advanced than those manufactured just 10 years ago. Every year, advances in comfort and efficiency mean new and exciting options for homeowners looking to upgrade. If your HVAC technician isn't up to speed, you could be missing out on an important opportunity. Shore Distributors, Inc. believes strongly in providing our customers with the widest possible range of product choices and training solutions to help your business continue to grow & succeed.*
